MOHAMED NOUR EL-ROUBY

STRATEGIC COMMUNICATIONS AND ACCOUNT LEADERSHIP

Cairo, Egypt | +20 101 272 6063 | mohamed.n.elrouby@gmail.com
Portfolio: melrouby.com | LinkedIn: linkedin.com/in/mnelrouby

PROFESSIONAL PROFILE

Strategic communications and account-leadership professional with 12+ years of experience across institutional communications, digital strategy, media production and stakeholder coordination. Currently the sole Account Manager at Dlight Media Solutions, managing 16 active client accounts, following communications and visibility leadership on an EU and BMZ co-funded GIZ programme. Combines communications planning, client and partner management, content direction and hands-on visual production.

CORE EXPERTISE

Strategic communications | Account leadership | Event planning and management | Institutional visibility | Stakeholder engagement | Campaign and content strategy | Photography and videography | Video editing | Media relations | Programme communications | Team and supplier coordination

PROFESSIONAL EXPERIENCE

Senior Account Manager | Dlight Media Solutions
Cairo | June 2026-Present

- Sole Account Manager for 16 active client accounts across nine sectors, from construction to consumer electronics.
- Led SehaGroup's first Annual Summit end to end: 250+ guests, EGP 1M+ budget, venue, production, catering and PR.
- Launched Geel Gadeer for GIZ and TCTI, a multilingual campaign released on Facebook and YouTube.
- Delivered Midea's Super Season campaign and the Volt Wheels Vigorey branch opening.
- Facilitated the onboarding of five new clients through proposals and scoping.
- Built a client-servicing system across 22 workspaces tracking briefs, approvals, risks and follow-ups.

Selected accounts: Aboelwafa, Beltone Academy, SehaGroup, Midea, Long Chips and Nile Naturals.

Communication and Visibility Advisor (Fixed-term Leave Cover) | GIZ Egypt
Cairo | September 2024-February 2025

- Led communications and visibility delivery for the EU and BMZ co-funded CBUID urban-infrastructure programme, producing press releases, social content, videos, event materials and visual assets in line with donor requirements.
- Coordinated with ministries, governorates, city councils, international partners and programme teams for infrastructure inaugurations in Alexandria and Beheira and the programme closing ceremony.
- Supported World Urban Forum activities and high-level international visits through pre-event planning, policy-dialogue materials, video production and press support.

Founder & Director | The Digital Venture
Remote | July 2021-Present

- Founded and direct a boutique communications, events and media production agency built around a flexible project-team model.
- Assemble teams for each assignment based on its scale, scope and budget, working with partner agencies, production houses, specialists and suppliers.
- Lead projects from client consultation and planning through budgeting, team coordination, quality control and delivery.
- Plan and manage events, campaigns and productions from concept to on-site execution.
- Managed work for Unilever, the Embassy of Finland in Cairo, Fuji News Network, Sherlocked Egypt, Al7akeem and Turnkey Contracting and many more...
- Helped Sherlocked Egypt increase campaign ROI from 733% to 1,567% while expanding from four to five branches.
- Launched Al7akeem's digital presence, generating more than two million views within four months.

ADDITIONAL PROFESSIONAL EXPERIENCE

PR and Communications Officer | Meeting Point of Civilizations NGO
Cairo | September 2018-April 2026

- Managed communications, media production, social media, programme documentation and partner coordination across cultural, educational and community-development initiatives.
- Liaised with governmental bodies, embassies, NGOs and cultural institutions and produced photography, video and visibility materials for public programmes.
- Organised three cycles of the Tamkeen Youth Development Programme and helped organise The Socratic Exercise, a Socratic dialogue format.

Field Researcher | Transport for Cairo
Cairo | January 2021-February 2024

- Conducted field assessments, surveys and structured data collection for walkability, public transport, electric-bus infrastructure and bus rapid transit research across Greater Cairo.

Content Creator | Egyptian Geographic Magazine
Cairo | December 2018-January 2021

- Produced documentary photography, film and editorial stories on nature, culture and communities across Egypt.

Media Production Specialist | Innovideas LLC
Cairo | January 2016-January 2018

- Produced photography, videography, interviews and event coverage for corporate and institutional clients, including embassies, Huawei, Nokia and Unilever.
- Led photography for Techne Summit and directed photography for the Balbaa Ramadan campaign.

Independent Photographer and Videographer | Freelance
Cairo | 2012-2016

- Delivered event coverage, interviews, documentary work and branded visual content for commercial and community clients.
